HISTORIC AMERICAN BUILDINGS SURVEY

Addendum to CHRIST EPISCOPAL CHURCH

HABS No. MO-235

Location: Thirteenth and Franklin Streets, Lexington, Lafayette County,  
Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Red brick, Gothic Revival Chapel with an octagonal tower built in 1848. Architect unknown, but may have been the Reverend A.D. Corbyn, then pastor of Christ Church in Boonville.

Church consecrated in 1850. The interior is finished in black walnut and the ceiling is ornamented with a Gothic truss-arch. The few original "painted glass" windows remaining in the building are perhaps the oldest of this type in the state.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the ~~MO-1800~~ records for MO-1800.
